

Fundraising Tools to Build a Better Future

You're working to ensure the success of future generations. We're dedicated to helping you along the way.

Educating and advocating for the next generation is a heroic undertaking. You need powerful fundraising tools that help you raise more and engage students, parents, and alumni. Qgiv's all-in-one fundraising platform includes donation forms for year-round and recurring giving, registration for campus events and after-school programs, peer-to-peer fundraising for walk-a-thons and giving days, text fundraising and outbound messages to help you stay connected with your network of supporters, and auctions with mobile bidding for alumni events and galas.

Your school or education organization has unique needs, programs, and ideas, and that's why we offer flexible pricing to give you the freedom to use the fundraising tools that work best for you. You also receive unlimited forms and events, users, training, and support!

What other schools and education organizations are saying about Qgiv:

“

The set up was easy, and the customer service is amazing! It is so simple to access our information and run reports. We have all the tools we need to advance our online giving program, and contributions have increased significantly.

Adams State University Foundation

“

Qgiv offers our organization the most up-to-date fundraising and gift processing features that we have not been able to find even within some of the largest gift processing companies in the industry. We really appreciate the fact that when we have a question, a simple phone call results in an individual person on the line.
